

HIGH SCHOOL NEWS NOTES

There was no school Monday, December 12, as a result of a hot fire being built under an empty boiler. The pipes were damaged badly and it took a force of five men from 10 o'clock a. m. until 12 o'clock p. m. to get them in working order. The Student Body's share of the Chautauqua receipts was \$57.50, or twenty five per cent of all that was taken in.

Coach Lathrop reports that about forty boys have been coming out for basket ball and that they are doing some good practicing. The first game is scheduled with Emmett on January 6.

The Sophomore class held a candy sale Thursday December 8, at the school house during Chautauqua. They cleared \$6.15.

The School board has leased the American Legion Hall for the next three months for the boys' and girls' basket ball teams.

The Ontario Public School is now using lantern slides every week for the purpose of teaching geography and history. Mr. Thomas is also getting slides from the O. A. C. for his vocational agriculture class.

The Older Boys Conference of the Y. M. C. A. met at Boise, December 9, 10, 11. The conference was well attended by Ontario boys. Some time ago, O. C. Colton of Boise gave a talk in Assembly, and as a result, the following boys attended the Conference: Guy Secoy, William Wiseman, Francis Reider, Owen Turner, Donovan Poorman, Virgil Reese, Douglass Scott, Russell Beers, John Akers, Earl Secoy. Donovan Poorman was elected Sgt. at arms. The boys reported a very good Conference.

The Seniors plan to start practice on their play shortly after the holidays. The play will be under the supervision of Miss Conway again this year.

The Juniors gathered at the practice house, on Saturday evening, December 10, and were taken on a

truck to the Grange Hall. Dancing and games were enjoyed during the evening. The High School Orchestra furnished the music. About ten o'clock lunch was served, consisting of pie, ice cream and coffee. Several members of the faculty were present and a few members of other classes. Don't forget the Circus, given by the physical training girls, December 16.

The boys glee club has been increased, from the original fourteen to twenty three. The public will have a chance to hear them in the near future.

The girls' basket ball team has been practicing hard and the number of girls coming out, has been sufficient for two teams.

Two new students enrolled last week, both Juniors, Melvin Walter and Vernon Russell.

Mrs. Chester Lackey and little daughter went to Caldwell Tuesday morning to spend a few days with Mr. Lackey's sister and husband, Mr. and Mrs. James Smith.
